Notice:

SI 8.2 is changed to now read:

"The Moth class will sail as one fleet, unless more than 85 boats enter, in which case they will be raced in two equally sized flights. If split into two flights, then the first two days will be for up to 6 race Qualifying Series and Saturday and Sunday for an up to 6 race Final Series (Gold). The initial flight splits will be provided by 19.00 on Wednesday 25th June. If the fleet is split into two flights for the Qualifying Series, the flights will be reordered on Friday based upon the results from Thursday's racing. **Once sailing in the Final series, the boats will sail as ONE Fleet.**
