Notice:

Dear sailors,

This year Rodos cup is covered by the photographer Nikos Pantis who is expert on Sailing races and regattas photography.

He will take photos during all the legs of the race as well as at the docking points and the award ceremonies

You will have the opportunity to buy photos per boat declaring your interest in advance, so that the photographer can make sure you have enough good photos of the boat and the crew.

You will receive your digital photos within 5-7 days after the race, in size 1800 x 1200 pixels.

Also during the race, some of them will be published on photographers facebook page <https://www.facebook.com/nikos.pantis> ,

so that you can use them directly in social media.

The estimated number of selected and edited photos that will be delivered to you is between 40 and 70 photos

The price of the photos for each boat is 250 euros and the payment must be made in two instalments :150 euros in advance,

and the rest 100 euros when the photos are ready to be delivered.

You can declare your interest by email to diaplous@otenet.gr

and call me to meet you on your boat for the rest.

Thank you , I wish you all have a great regatta.

Nikos Pantis
