#### **Notice:**

##### **Change to Sailing Instructions - No. 1**

We have made the following changes to the Sailing Instructions:

**SI 2.4** – The minimum time for the first warning signal, after Delta Flag has been hoisted, is changed to **45 minutes**.

**SI 6.1** – Delete the words “**or Red**” from the sentence.

**SI 15.2** – Delete the words “ and all boats in the Silver Fleet shall rank ahead of all boats in the Bronze fleet”. So it now reads:

“The World Championship shall be scored as a single series, except that once the Final Series has begun, all boats in the Gold fleet shall rank ahead of all boats in the Silver fleet. However, a boat scored DNE in all races shall be ranked last overall.”
