[Official Equipment Inspections rev1.pdf 1.18 MB](#)

In the previous Notice to Competitors n°1, in the attached document "Official Equipment Inspections" there is a misprint; a drawing shows an uncorrected mainstrop length .
Please consider the correct Mainsheet strop length dimension from 434mm (minimum) to 504mm (maximum) [J/70 Building Specification, Line 21a.] .
Here attached the document update.
