Notice:

In order for WPNSA to turn the site around from the Waszp Games to the Optimist Nationals, all Waszp competitors shall pack up their boats and load onto their road trailers, including any boxes, after racing on Friday 25th July 2025.

This will leave the dinghy park clear for the optimists arriving.

We kindly ask that all Waszps have left site by 12:00 on Saturday 26th July 2025.

For those being loaded on to a container, please place your boxes next to the green container, by the event hall ramp (where they were when you arrived).
