Notice:

Point 1.6 of the NoR changes as follows:

The NoR and SIs may amend the Contender Championship Rules 2023 as described in rule B12.

Point 10.1 of the NoR changes as follows:

10 COURSES

10.1 If the number of entries is below 120 at the completion of registration, the regatta will be sailed in one fleet. If the number of entries is 120 or above, the regatta will consist of a qualifying series and a final series. The race format will be detailed in the SIs. There shall be no limit to the number of entries.

10.2 A minimum of four (4) races must be completed to award the Championship Titles.

10.3

- The Target Time for the first finisher to complete the course is 60 minutes on a day that two (2) or three (3) races are scheduled, or 90 minutes on a day when one (1) race is scheduled.

- The Race Time Limit is 120 minutes.

- The Finishing Window is 15 minutes.

- Failure to meet the Target Time will not be grounds for redress. This changes RRS 61.1.

10.4 Racing should be conducted in winds between a minimum of six (6) knots and a maximum of twenty-five (25) knots. However, it is at the discretion of the RC to start in conditions not within this range (e.g., where local conditions include problematic weather patterns) where the intent is to complete enough races to award Championship titles.
