Changes to Time Limits and Target Time in Series 4

Source: Race Committee

Venue: Whitby Yacht Club

Published: 2025-09-15 09:18

Notice:

Competitors,

Time limits and target time have been added for Series 4. Please see the Sailing Instructions V3.

Since there is only one race each night in Series 4 and the start is 30 minutes earlier, there is still enough daylight in September to stretch the target time for the race to 45 minutes from 30 minutes. The time limits have been adjusted accordingly.
