Notice:

All sailors on boats entered as Corinthian or Under 23 categories are required to have been classified by World Sailing as Group 1 sailors.

All sailors who have issues with the World Sailing dashboard regarding Group 1 categorisation must submit a self-declaration on RRS (Submit Question) to the Race Committee.

If any boat has a query about the Corinthian Status of any self declaration, they are required to submit a hearing request on RRS as soon as possible.

If no hearing requests are filed by the end of the first racing day, the self-declaration will be automatically considered accepted.
