

24-Hour Charity Dinghy Race 2026

Notice to Competitors

Number: 01

Postponement of Race

Source: Race Committee

Venue: HHYC

Published: 2025-10-05 09:08

Notice:

We regret to inform you that, after careful consideration, the General Committee has resolved to postpone the 24-hour Charity Dinghy Race, originally scheduled for 25 and 26 October 2025, due to a combination of clashes with other regional sailing events resulting in some key teams being unable to participate, a shortage of available dinghies and the typhoon season now extending into early November.

A further Notice to Competitors will be issued in due course with updated details.

We appreciate your understanding and will keep you informed through the official notice board and communications channels.
