Notice to Competitors

Number: 01

Corrector Weight

Source: Technical Committee

Venue: Sanremo Italian Championship

Published: 2025-10-14 13:00

Notice:

Boats already weighed in Porto Rotondo during the last World Championship 2025 must keep any Corrector weight added to the boat to reach the minimum weight of 685 kg.

The same applies to boats weighed for the first time here in Sanremo.

Corrector weight can not be removed or moved from its position.

Boats will be inspected after each race.

Boats that do not comply with this rule will be protested.
