

# **Eurocup 29er Finals 2025**

## **Notice to Competitors**

**Number: 02**

**Regarding trolleys on exit for the races**

**Source: Race Committee**

**Venue: Riva del Garda**

### **Notice:**

To make recovery as fast and efficient as possible we ask all sailors to take the first trolley that they are given by the beach team when you return to shore, even if it is not your own trolley.

Come to the secretary office to get the stickers to write your sail number on the trolley.

At the last day of the regatta, during the races, we will group the trolleys by country, and ensure that everyone has their correct trolley again.
