Reverse Start This Saturday

Source: Organizing Authority

Venue: Possession Pt Race

Published: 2026-03-19 11:27

Notice:

This notice is to inform competitors that based on the light/variable wind forecast, we will plan on a REVERSE start tomorrow, meaning slow boats first. We want to get the boats back in for our awards party as close together as possible. Watch flags closely and listen to VHF69 for start sequences. - Jon
