Notice:

During registration, which begins on Thursday 10th at 2.00 pm, competitors will be given a sticker for their trolley:

- **white stickers** for **Ilca6s** and for clubs based at the **Circolo Vela Arco**
- **red stickers** for **Ilca4s and Ilca7s**

This will help the slipway staff to correctly sort the trolleys according to the area where you will be based.

It is **mandatory** to affix this sticker.

When returning from the regatta, we kindly ask you to use the **first trolley provided by the staff**; only on the final day will you be given your own trolley back.

Thank you for your cooperation!
