---

**Notice:**

The existing SI 8.12 is deleted and replaced with the following new wording:

" SI 8.12 Each boat can choose to carry a working Vakaros Atklas 2 or Edge configured for Race Sense, which shall be mounted at the class agreed position at all times while racing. Any boat with a working Atlas 2 or Edge should check in for configuration with Race Sense unit by sailing within 100m of the committee boat. Atlas 2 units can be provide to any boat for a rental fee.
