

# Snipe World Championship 2026

## Notice to Competitors

**Number: 01**

### Vakaros RaceSense – Mandatory Information for Competitors

**Source: Organizing Authority**

**Venue: Club Marítimo de Mahón**

**Published: 2026-07-18 17:44**

---

#### **Notice:**

Dear competitor,

Thank you so much for participating in the Snipe World Championship 2026.

As you know, Vakaros will be mandatory for the regatta and rules for the use will be included in the Sailing Instructions.

#### **If you already own an Edge or Atlas 2:**

- Update your unit to the latest firmware version via the Vakaros Connect App. For a video on how to update your firmware, see here: [Atlas 2 Firmware Update Tutorial](#).
- Calibrate your compass by following these steps: [Atlas Compass Calibration](#)
- Do not forget to bring your Atlas 2 to the Race Office so our technicians can match your sail number with the device.

#### **If you are renting an Atlas 2 for the event (anyone who does not own one):**

- Vakaros will provide you with an instrument. It will display magnetic heading as well as an automatic countdown start timer and OCS status.
- Rental devices will be available for pickup beginning September 19th
- All rental devices will be returned to the Vakaros table within the protest time limit on the final day of racing.
- Rental devices are available for reservation here: [A2 Event Rental](#)

#### **Rental Fees**

Reserved from July 17th to September 4th: \$25/day

Reserved from Sep 5th to September 11th: \$35/day

Reserved from Sep 12th: \$150/day
