

Athens International Sailing Week - Non Olympic Classes

Notice to Competitors

Number: 06

Precautions against COVID 19

Source: Organizing Authority

Venue: Athens International Sailing Week

Published: 2021-11-02 11:20

Notice:

According to the updated racing health protocol of the H.S.F., which was approved from the Ministry of Sports, it is required from all the non-vaccinated athletes as well as the coaches/support personnel to send to the secretary which organizes each event, a Negative RT-PCR test 24-48 hours before the event or a Negative Rapid Antigen test the day of the event or, if that is not possible, 24 hours before the event. The fully vaccinated have to present the Vaccination Certificate, issued by a certified authority, under the condition that 14 days have passed from their last dose. The ones that have recovered from the SARS-CoV-2 virus infection have to present the Certificate of Recovery, issued by a public authority or a certified laboratory. The certificate is issued 30 days after the day of the first positive COVID-19 test and is valid for 180 days after it. In case a new Health Protocol is published, the updated will apply.
