

MM Nastrorosa Tour "IL GIRO"

Notice to Competitors

Number: 02

Mast rigging

Source: Race Committee

Venue: Genova to La Maddalena

Published: 2022-06-12 11:15

Notice:

Each team will be responsible of their own mast rigging as follow:

- The teams shall do their best effort to set the masts as they like but the shrouds tensions can not exceed the below limits :
V1 = 62 to 64
D1 = 22 to 24
D2 = 20 to 22
- Forestay = 85 mm between inner screw heads inside turnbuckle
- The measures must be taken using a LOOS & CO model RT-10 (ask to Louis Fournier Figaro Specialist by OA to have one to check)
- When ready the OA will check and seal off shrouds and forestay. Seal shall not be removed until end of each leg.
- At Genova stop: all shrouds shall be sealed not later then Jun 14th at 18:00.
