Notice:

Due to the sudden COVID-19 outbreak that has affected schools that many of our young sailors go to, RHKYC has made the regrettable decision to postpone the Middle Island Open Regatta. We believe that there is minimal risk involved in participating in an outdoor non-contact sport like sailing. However, in view of the COVID-19 outbreak directly affecting many schools, we feel that it is in the best interest of RHKYC members and the participants in this regatta to take the prudent approach.

In addition to this, some competitors will be unable to participate, due to being 'close contacts' of known Covid-19 cases. As a ranking regatta for several of the classes, this would be unfair to those that are unable to compete due to matters outside their control.

We will announce a new date for the regatta as soon as possible.
