Notice:

Skippers,

Sadly we have less than a safe number of volunteers whom have been able to reach the RC vessel this morning. We also have concerns about safely running races on Mojo in a strong ebb and opposing 20+ kt wind.

We understand the wind is expected to lessen over time today it is not fair to request people sit on shore for 2-3 hours while we wait to see if the wind dies down. Therefore we unfortunately must cancel today's race.

We will poll the fleet on adding a makeup race date after the end of the series.
