Venue: Dun Laoghaire

Notice:

The official notice board has had posted a change to the appendix UF on it.

Boats were breaking the class rule in deploying the Bowsprit, and when this was brought to our attention, we could not take any action.

We will now penalise with a red flag (a one-turn penalty) for breaches.

Most boats were in breach, deploying the bowsprit after passing mark one but sailing half the leg before raising the gennaker.

The deployment of the bowsprit and the raising of the gennaker must be a continuous movement.

Please follow your class rules on Sunday.
