### **Notice:**

SI 7.4 is modified to be read :

The start will be upwind consequently, if Mark 1 is not already to windward, RC may place an inflatable cylindrical yellow mark approximately **1.0 NM** from the starting line. The laying of such a mark will be signaled by the RC displaying a red flag to indicate that the mark should be left to port or a green flag to indicate that the mark should be left to starboard and showing the approximate compass course before or together with the warning signal.
