Description

during the start of the second race, at 10 seconds ITA 3565, unable to start inside the line, despite my numerous risks, did not give me precedence. when the boy did not luff, he came towards me and to avoid hitting the boats I had to bear away, continuing to bear away, he, overwhelmed me. his boat hit me on the shoulder and neck with the corner of the tubes and then passed over my head with the terrace. this prevented me from starting well and penalized me in the second race and in the next
