Description

Approaching the 1 Mark

The Mark start to move suddently

On this occasion, whilst attempting to avoid the moving mark, I struck it and damaged another boat, which was forced to manoeuvre to avoid a collision.

As soon as the mark was clear astern, I imposed

a self-imposed penalty as required by the Rules

Furthermore, at the end of the next upwind leg, we noticed that the mark was moving without any apparent

Penalty Taken

One Turn
