Description

At the leeward mark, USA 31297 established an inside overlap within the three-boat-length zone after being clear astern of JPN 31814. At the moment the first boat reached the zone, the boats were **not overlapped**. Therefore, under **RRS 18.2(a)(2)**, USA 31297, as the boat clear astern, was required to give JPN 31814 mark-room. Instead, USA 31297 entered between JPN 31814 and the mark, forcing JPN 31814 to alter course and denying her the required mark-room.

We request that USA 31297 be disqualified for breaking RRS 18.2(a)(2).
