Protestee 1 - B - Irl1713 - Artful dodger

Description

Gringo T boned us before the start, when we were on starboard and we were pushed up and to the right, due to being hit by Gringo, who were in port. We have substantial damage to our boat. Artful dodger then came to leeward of us and luffed us. We kept clear and there was no collision. However, for prudence we are taking a penalty but we were put into this position as a result of Gringo hitting us, causing significant damage and pushing us to the right
