

Tre Golfi Sailing Week 2022

Question for Officials

Date: 2022-05-18

Question No: 04

Question For: Race Committee

Question:

from the published ORC Med & CNT Provisional Entry List, it appears that ORC A and ORC B classes will sail together in "Group 1".

If this is the case, what colour will be the mark of a course change?

As per SI 10.1 it should be orange inflatable for Orc A and blue inflatable for Orc B, but what happens if the two classes are sailing together?

thank you!

Answer:

SI Amendment 2 has just been posted.

The Groups were reassigned for the starts/races.

The change marks are no longer assigned to a specific class.

The color of the change mark that a Group is to sail to will be announced on VHF.
