**Question No: 01**

**Question For: Race Committee**

**Question:**

the NOR and SI's do not currently modify IRC 21.1.5(d) and (e) - all sails on board must remain the same on consecutive days of racing.

We request this is modified to permit a change of sails from race day to race day, as it appears we are doing a mix of coastal and windward lee wards,

With thanks

Danny Gallichan
