Question:

Good morning I have a question

I am racing division 1 spinnaker on Tuesdays series 1 and registered at the committee boat in the first race series 2 division 3 white sail the race was canceled.. this Thursday would be my first race in division, 3 I have noticed that the registration process on the site does not have the provision to register for specific series my question is it ok for me to race Thursday series 2 division 3 white sail if not what is the process.. 'thanks Richard

Answer:

Hi Richard: Yes, since you have not done any races in Series 2 yet, you can register to start in Division 3 (white sail) with the RC when you check in on Thursdays. Just make sure that the RC understands that you are changing divisions on Thursdays so I will know what division to score you in. It's two different Sailwave files for Series 1 and Series 2 so I can easily set you up in different divisions for the different series.- Wendy (GNS/SLVYRA Scorer)
