**Question No: 04**

**Question For: Technical Committee**

**Question:**

I currently am driving up to Kingston with my team. My last name (Bloom) falls within the first weigh-in name partition so that lines up with the 9:00-11:00am time slot. Is it acceptable if I arrive later than 11:00am for weigh-in due to travel time/possible delays at the border?

Thanks,  
Gavin Bloom

**Answer:**

Yes. See David Sprague at measurement hall for time when you arrive. Sprague
