Question for Officials

Date: 2022-08-09

Question No: 01

Question For: Technical Committee

Question:

Good morning.

This event is declared as a Formula Kite event. I have mainly kites Flysurfer VMG2 which are registered but also a 9m and a 15m Sonic Race previously registered now out of the list since Jan 2022. Will these kites be banned or are they ok to use? What about not registered kites like Flysurfer Sonic3 as my daughter would then join THANK YOU.

Answer:
