**Question No: 08**

**Question For: Race Committee**

**Question:**

Please, first day results do not include yellow "CZE 87" which has sail substitution approved by committee on 2022-08-09 08:03 (from CZE 814) ...there is only wrong classification for CZE 814: DNC/DNC/DNC

Please make correction and publish CZE 87 with real first day results.

Thanks for help.
