## Question for Officials

**Date: 2022-08-11**

**Question No: 01**

**Question For: Race Committee**

**Question:**

I checked the scores and on my last race of august 10 my boat was placed 21 with the letters CHK10 next to it. And it means it was a scoring penalty under rule 14.6. I don't know why I was given this penalty due to the fact I didn't hit any marks and caused 0 faults that race. Please can you tell me why I got the penalty because we finished higher than 21.

---

**Answer:**

The CHK10 penalty should point to Rule 17.9 in the SI's. This has been corrected and if you wish to see the Check-In/Check-Out sheets from yesterday, please visit the regatta office.
