Question for Officials

Date: 2022-08-15

Question No: 01

Question For: Race Committee

Question:

Juliet Ryan was not able to complete any races yesterday due to medical reasons. Would it be possible for her to receive average points for the races completed yesterday (13/08/22).

Answer:

Thanks for sending in your query. RRS62.1 covers redress (average points being one possible type of redress). For this to be appropriate, a boat's score needs to be made significantly worse through no fault of their own by an improper action or omission of the race committee, protest committee, organizing authority, equipment inspection committee or measurement committee for the event. I don't think your circumstances match that scenario so would advise any such redress request would likely be unsuccessful.
