**Question No: 01**

**Question For: Race Committee**

**Question:**

On reading the NoR I am a little confused about the requirements for compliance with OSR. Clearly Appendix B has to be complied with but Appendix B also references back to OSR in total. My question is really whether the carrying of liferaft and/or tri sails is required while racing? I think not but wanted to check. Many thanks. Richard.

**Answer:**

Inshore Regulations apply, and a Port of Refuge is nearby. So carrying of liferaft and/or tri sails are not required. For clarity, Appendix B does refer back to the relevant parts of the OSR. It is only a requirement that the equipment list in Appendix B is onboard for this event and that it is fully serviceable.
