Question No: 01

Question For: Race Committee

Question:

Hereby I ask for an interpretation of rule 41: if I capsize and I lose connection to the boat, a motorboat helps me getting back to my boat without taking any advantage from it, am I allowed to continue the race?

Answer:

According to rule 41.(a) a crew member in danger may receive help from any outside source.
If capsized boat is drifting faster than crew member can swim than crew member is in danger.
