Question for Officials

Date: 2022-10-11

Question No: 01

Question For: Organizing Authority

Question:

Hi, at yesterdays registration I had changed my sailnumber on all the necessary forms from 217279 to 220286, however, on the entry list and as well on the fleet assignment I still appear to have the old number. Is there anything else I have to do to change it?

Answer:

The change has been noted and the records will be updated. Please use the flight colour as listed against either of the numbers (old or new number)
