Question for Officials

Date: 2022-10-24

Question No: 01

Question For: Protest Committee

Question:

Trying to work out if race 1 was disappointed for the i420. As far as see from the notices from the jury posted it says it was. This event is points towards making the worlds team so I need to understand the notice posted says it does not count.

Answer:

Good Evening Peter. Please be advised that the protest committee has directed the race committee to expunge scores for Race 1, the only race run on Saturday, October 22nd. The race has been abandoned. It appears that the RC is still in the process of updating scores for the event.

For details refer to the protest committee decision for hearing request #1. I will forward a copy of the decision to you at the email address you've provided.
