

RS21 World C

Question for Off

Date: 2022-11-04

Question No: 20

Question For: Race Committee

Question:

Is it possible to change our categorization to Corinthians?

As we were registering for the competition we didn't know that word corinthians means amateurs. So we didn't check it up.

When we were registering to competition two members of our crew picked their old world sailing accounts which had no categorization. Those account are very old and they don't even remember emails or passwords. They made new accounts with categorization. We would like to change old id's to new for Wojciech Myśliwiec and Marcin Panaś. Marcin's new id is POLMP69, Wojciech's new id is POLWM15. We already started procedure of removing old accounts.

Answer:

Your status is changed to Corinthian.
