

70° Rolex Giraglia 2023

□ Question for Officials

Date: 2023-06-11

Question No: 02

Question For: Race Committee

Question:

1. For windward leeward races which is the distance and bearing from Race Committee Boat and gate mark 3S?
 2. For windward leeward races which is the length of finish line
 3. For windward leeward races in case of change of course from windward mark to gate or from gate to windward mark, is the intention of the committee to change also the finish line position in order to maintain the original geometry of the course (finish line in the axis between top mark and leeward gate)? In case the finish line is moving to a new position, is it mandatory to avoid sailing between finish mark and committee boat while they are on the move ?
-

Answer:

- 1 / 2 Depends of the wind conditions
 - 3 Position of the finish line is fixed, only can change the angle.
