

# O'pen Skiff World Championships 2023

## □ Question for Officials

**Date: 2023-07-16**

---

**Question No: 01**

**Question For: Race Committee**

**Question:**

Team NZL requests helmsman + 3 crew to safely take care of athletes on the water for both ribs. Helmsman operates the boat while support crew takes care of athletes. Parents traveling across the globe should be able to watch their kids as well as a courtesy. These are 5.8 M ribs so this does not pose a safety issue of any kind.

---

**Answer:**

The request has been granted
