

2023 CORK International Regatta / CORK Olympic Classes Regatta & Sail Canada Youth Championships

Question for Officials

Date: 2023-08-11

Question No: 02

Question For: Race Committee

Question:

According to the SIs, 17.3, we get one drop after five races have been completed. But under addendum 1 for scoring for multiple fleets, 3.3-3.5, seems to be inconsistent in that it seems to indicate there is a second drop. Could you clarify how many drops and if one drop, how will it be used across the qualifying and final series?

Answer:

As per SI 17.3 there is one discard after 5 races or more have been completed. One final series race may be discarded if two or more final series races have been completed.

There will no more than one discard in the combined qualifying/final series.
