Dear Race Committee

I'm writing to ask your permission to race with my Finn sail at the regatta.

It is a North sail that I purchased second hand from Giles Scott.

It is a fully measured and certified sail from the Rio Olympic Games.

You will see from the photograph (attached) that the National Flag insignia is oversized and whilst I have added my number (9), I do not have room to add the required GBR letters.

Yours sincerely,

Tim Tavinor  
Finn GBR 9
