

## 2023 GNS Séries I Question for Officials

**Date:** 2023-09-18

---

**Question No:** 10

**Question For:** Race Committee

**Question:**

We raced on August 31 (thursday night race) and we are not scored. I can prove I was there and passed by the committee boat and started properly. There was one recall at the start Chaos and we finished very well... Please give me our time and place for the race.

I have my GPS trace to prove I did the course.

Thank you,

Pierre Farmer

**Answer:**

The RC told me not to include your boat/finish time b/c in the results they said you did not check-in before the race. I asked the RC again & they changed their mind & said I could add your finish time to Series 4 Race 9. The results have been updated. - Wendy (GNS/SLVYRA Scorer)
