

## Double Mixed Offshore World Championship Question for Officials

**Date:** 2023-10-03

---

**Question No:** 01

**Question For:** Race Committee

**Question:**

- 1) in course B the leg 2 doesn't have a mark rounding. Please can you clarify the mark rounding.
- 2) SI 12 please can you clarify if the "THE SHORE SIDE of any island" includes mainland Italy.
- 3) please can you clarify how much diesel we need to carry. Does this include the survival Jerry can. If we need more fuel in this being supplied.
- 4) are the rig settings going to be checked so that they are all the same or can we adjust the rigs?

---

**Answer:**

- 1) a NTC has been published
- 2) Italy is not an island. About Italy shore the National Regulations applies (0,5Nm from shore) including all the sea factory or any other restricted areas.
- 3) For the WC Courses: Full inner tank + a jerrycan. OA will inform you how to do and will provide fuel.
- 4) Rigs are sett all the same. Shall not be changed by the crew
