**Question No: 01**

**Question For: Race Committee**

**Question:**

My name is not in the list of the Radial. Thank you for including it. Best regards

---

**Answer:**

I confirm you are in the list. For some reason the pdf print in the original notice only included page 1 of 2 with 48 competitors out of 50.

You are #49 in second page. The complete pdf was anyway also posted on the main page of the official notice board.
