## Question for Officials

**Question No: 02**

**Question For: Race Committee**

**Question:**

Dear Jury,

I do not understand Protest #1 from TC against Competitors, 3 Questions:

1. The WLAN in the club was completely overloaded, many competitors told me they could not transfer there ERF in time.
2. In my point of view nearly 20 points is too much punishment, as the transmission via Internet is completely new, especially for young sailors. That is too much punishment for young sportsmen, they are no business men.
3. I do not understand why famous sailors NED 9 and GBR 102, NOR 39 get only 2,9/3,3 Points for Same fault.  
Your decision „did not submit ERF in time“

Please think about making a lower point-punishment, young sailors should have a chance to learn.

Kind Regards, Hope you understand my point of view.

Markus
