Question for Officials

Date: 2024-07-11

Question No: 05

Question For: Race Committee

Question:

Dear committee,

We are getting to the end of this race that will finish in Venice in about 1 week from now.

There are 7 pending protests still to be discussed.

To keep this race fair i think is important to schedule as soon as possible these discussions because all the competitors need to know the classification point situation while racing.

Can you please give us a discussion schedule?

Thank you

Answer:

All protest have been discussed
