

# 2024 RS Feva World Championships

## Question for Officials

**Date: 2024-07-30**

---

**Question No: 01**

**Question For: Race Committee**

**Question:**

Is the final number of the position in the ranking going to be escarted?

---

**Answer:**

SI 20.2 "Final Series" state:

" a) Fewer than four completed final series races – her qualifying series ranking plus all her final series race scores. Q series rank not discardable.

b) Four or more completed final series races – her qualifying series ranking plus all her final series scores except her worst final series race score".

For clarification the "final series scores" do not include the qualifying series rank, so the discard enters when 4 "real" races in the final series are completed.

The ranking from the qualifying series is non discardable, no matter how many races are completed in the final series.
