Question No: 03

Question For: Organizing Authority

Question:

Dear All

We have an important request regarding a situation with a member of our team. Our driver and owner of ocean pact boat has injured his ankle ligament and have no conditions to walk neither to sail. We would highly appreciate if the Organization allows us to replace our helm at the Copa del Rei competition.

The replacement who will conduct the boat is Javier Porto de la Calle. He is a Spanish helm who owns a J70, complies with the J70 rules C3.2 and participates to several competitions.

We would appreciate if you could consider and approve the replacement.

Best regards
