Question for Officials

Date: 2024-08-29

Question No: 05

Question For: Race Committee

Question:

Dear Barbara, following my call to the sailing office, I just wanted to check that you were handicapping Lutea correctly in Classics 1. Attached is our JCH certificate for sailing WHITE SAILS only, which is what we are doing. Not sure that this is the handicap that is on the results page. Probably won't make much difference, but could it be checked, and corrected if necessary.
Many thanks

Chris North

Answer:

Accepted revised handicap for white sail
